CARD GOLF™ TOURNAMENT DETAILS

Tournament Format: Match Play - 2 players, 1 round

Tournament Name: _____

Tournament Director: _____

Golf Course: _____

Date: _____

CARD GOLF™ TOURNAMENT INSTRUCTIONS

In Match Play the game is played by holes. A hole is won by the person that has the lowest net score to the hole. The match is won by the person that is leading by a number of holes greater than the number of holes remaining to be played. The total score for the number of holes played by each player is not used to determine the winner. The player with the lowest net score on the hole wins that hole. Both players go to the next hole and start over. If a player wins the first ten holes; the match is over because the player that is 10 down cannot win because there are only 8 holes left to play. Therefore the finish of the match is 10 and 8. Once the winner of a match has been determined, the match is over. The winner advances to the next round and the loser is out. If the players are tied after 18 holes, they will continue playing from the starting hole of the match until someone wins a hole.
